General Notes Pertaining to the Schedules and Statements of Financial Affairs

The Schedules of Assets and Liabilities (the "Schedules") and the Statements of Financial Affairs (the "Statements") and collectively, with the Schedules (the "Schedules and Statements") of Our Lady of Mercy Medical Center and O.L.M. Parking Corporation (collectively, the "Debtors") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors with the assistance of their court-appointed advisors and are unaudited. The Debtors make no representation that any of the financial information contained in the Schedules and Statements have been prepared in accordance with GAAP.

Although management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete based on the information that was available to them at the time of preparation. Subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtors reserve all rights to amend and/or supplement their Schedules and Statements as is necessary and appropriate. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any rights or claims of the Debtors against any third party, or in or with respect to any aspect of these chapter 11 cases.

Confidentiality. There may be instances within the Schedules and Statements where either names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual based on the Health Insurance Portability and Accountability Act of 1996 ("HIPPA") or otherwise, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts.

Causes of Action. The Debtors may not have set forth all of their claims or causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve any and all of their rights with respect to any and all claims or causes of action they may have, and neither these General Notes, the Specific Notes nor the Schedules or Statements shall be deemed a waiver of any such claim or cause of action.

Claims Description. Any failure to designate a claim on the Debtors' Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve the right to dispute any claim reflected on their Schedules and Statements on any grounds, including, but not limited to amount, liability, maturity or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated." Moreover, the Debtors reserve the right to amend their Schedules and Statements as necessary or appropriate.

Specific Notes. These General Notes are in addition to the specific notes set forth in the Schedules and Statements. Disclosure of information in one Schedule, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule or Statement. The fact that the Debtors have prepared a note with respect to a particular Schedule or Statement and not to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such note to any or all of the Debtors' remaining Schedules or Statements, as appropriate.

Current Market Value of Assets. Unless otherwise indicated, asset valuations in the Debtors' Schedules and Statements are based on the Debtors' current best estimate of fair market from various sources, including, where available, external appraisals. Amounts ultimately realized

from any asset, or the actual value of any such asset to the extent it must be determined in connection with these chapter 11 cases, may vary from the values stated in the Schedules and Statements and such variance may be material. The Debtors' reserve the right to contend and/or prove that the value of any asset set forth in the Schedules may, in fact, be different from the value ascribed to that asset in the Schedules.

Dates. The information provided herein, except as otherwise noted, represents the asset data of the Debtors as of month end February 28, 2006 and liability data of the Debtors as of March 8, 2006 (the 'Petition Date').

Schedule F – Creditors Holding Unsecured Nonpriority Claims. The liabilities identified in Schedule F are derived from the Debtors' books and records, which may or may not, in fact, be completely accurate, but they do represent a reasonable attempt by the Debtors to set forth their unsecured obligations. Accordingly, the actual amount of claims against the Debtors may vary significantly from the represented liabilities, Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules. Parties in interest should consult their own professionals and advisors with respect to pursuing a claim. Although the Debtors and their professionals have generated financials the Debtors believe to be reasonable, actual liabilities (and assets) may deviate significantly from the Schedules due to certain events that occur throughout these chapter 11 cases.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which claims listed in Schedule F were incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtors have not listed a date for each claim listed on Schedule F.

Schedule F contains information regarding litigation involving the Debtors, including medical malpractice lawsuits. All asserted or potential medical malpractice claims referenced in Schedule F are contingent, unliquidated and disputed. Specific disclosure regarding asserted or potential medical malpractice claims may be subject to certain disclosure restrictions contained in HIPPA and in any event, are of a peculiarly personal and private nature. The Debtors continue to research any possible HIPPA or other restrictions with respect to disclosure of asserted or potential malpractice claims. The Debtors will amend or supplement these Schedules and Statements as necessary or appropriate in this regard.

Schedule G – Executory Contracts. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusion may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth herein. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed therein. Moreover, the Debtors reserve their rights to dispute the characterization of any contract in Schedule G as executory. The listing of a purported executory contract or unexpired lease on Schedule G is not an admission by any Debtor that the contract in fact is executory or the lease is in fact (a) a "true" lease – and not a disguised financing transaction or (b) unexpired.

In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtors and such supplier or provider.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G.

General Reservation of Rights

The Debtors specifically reserve the right to amend, modify, supply, correct, change or alter any part of their Schedules and Statements as and to the extent necessary as appropriate.

Summary of Schedules

Schedule B: Number 3.

Prepaid -Other" predominantly refers to various utility and vendor pre-payments.

Schedule 8: 12.

Assets whose use is limited refers to temporary or permanently restricted marketable securities.

Depreciation reserve funds are funds held by third-party institutions.

Self Insurance Current and Long-term are asset funds which have corresponding liabilities. In addition, certain (and perhaps all) amounts identified as Self Insurance assets are held *in* various trusts that may have enforceable restrictions on alienation. To the extent that they do, those assets held in trust are not property of this estate pursuant to section 541 of the Bankruptcy Code. By including these or similar assets in Schedule B or elsewhere in these schedules and the statement of financial affairs, no Debtor is admitting that any of these trust assets - or any other asset subject to an enforceable restriction - is property of this estate. or if property of this estate, available for any purpose other than consistent with the restriction imposed upon it. All such issues and questions are specifically reserved.

Schedule B: 23, 26 & 27:

Fair market value of equipment assets is assumed to be equivalent to book value. The allocation of equipment assets for vehicles, office equipment, and medical devices was based on the classification per the asset ledger.

Schedule F: All asserted or potential medical malpractice claims are contingent, unliquidated and disputed. Specific disclosure regarding asserted or potential medical malpractice claims may be subject to certain disclosure restrictions contained in the Health Insurance Portability and Accountability Act of 1996 ("HIPPA"), and in any event, are of a peculiarly personal and private nature. The Debtors continue to research any possible HIPPA or other restrictions with respect to disclosure of asserted or potential malpractice claims. The Debtors will amend or supplement these schedules and statement of financial affairs as necessary or appropriate in this regard. The Debtors also intend to petition the Court for separate notice procedures with regard to providing notice to medical malpractice claimants of these cases and any bar dates.

Schedule G: Unless otherwise noted, all leases are non-residential in nature. All entries will be amended as necessary when information becomes available.

DebtorCase No. 07-10609 [REG]
(if known)**SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS**

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts who file a case under chapter 7 or 13 report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts who file a case under chapter 7 report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Case No. 07-10609 [REG]
(if known)

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts filing a case under chapter 7, report this total also on the Statistical Summary of Certain Liabilities and Related Data..

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
